

2007 International Spring Festival

The 2007 ISF was held on April 21st and was a great success! Our booth had a variety of cultural displays such as Chinese arts, calligraphy, clay dough puppets, children's toys, and traditional Chinese decorations. Our booth was one of the greatest attractions during the festival. In addition, our Chinese Yo-Yo club was one of the most welcomed performances at the Festival. Jing-Wei Jian's restaurant hosted a food sale with delicious Chinese lunch boxes and all their prepared food sold out!

Starting this past year, three new board members joined in the preparation for the ISF. They helped with the advertising, marketing, participation, stage set-up, and display set-up. This event is always a great opportunity for introducing Chinese culture to our communities, and also a good fund raising opportunity for the School.

We thank all teachers and parents who helped us with this event. Special thanks go to Chyan-long Lin, Yie-Lin Ju, Jing-Wei Jian, Christien Lin, and Shaoming Chen. This event would not be so successful without their much appreciated time and effort. (By Philip Chiang)
